2 **FREE** COURSES PER YEAR!*

Find the option that works best for you:

At your high school

Known as Running Start, these courses are offered at your high school to 10th, 11th and 12th grade students during the regular school day and credits transfer to colleges, including all seven NH community colleges.

On a college campus

These courses can be taken at a nearby NH community college and can provide that early college experience while earning college credit in high school.

100% online

Known as eStart, these are online courses taught by college faculty and can be taken according to your schedule anytime and anywhere in the state.

*courses are tuition free and subject to available funding

Scan the QR code, visit CCSNH.edu/EarlyCollege or contact your school counselor's office to see what is available to you.
