Commencement Speaker

Dean Kamen

President, DEKA Research & Development Corporation

Dean Kamen is an internationally known New Hampshire-based inventor, entrepreneur, philanthropist and passionate advocate for STEM. He is the founder of DEKA Research and Development Corporation and FIRST® (For Inspiration and Recognition of Science and Technology).

In his recent efforts, Kamen assembled a team of innovators who became the leaders of ARMI (Advanced Regenerative Manufacturing Institute) in Manchester's millyard. MCC is actively involved in a partnership with ARMI to provide educational pathways to build the ReGen Valley of America.
