Liberal Arts

Liberal Arts - Pre-Nursing Track

Degree Type Associate of Arts

Program Overview

As part of the Liberal Arts Associate of Arts degree, MCC offers a Liberal Arts - Pre-Nursing Track. The Pre-Nursing Track gives students the flexibility to take science and other classes while earning transferable academic credit and is ideal for completing any co-requisite nursing requirements.

Program Goals & Outcomes

Upon earning the Liberal Arts A.A. degree, students will have acquired a solid introduction to a wide range of disciplines, gaining knowledge and skills that will serve them well in every area of life, vocation and citizenship. Students will also possess the necessary course requirements to support timely transfer to a 4-year institution to complete a baccalaureate degree.

In addition to acquiring a baseline of knowledge across multiple disciplines, students will develop skills that include:

- Close reading
- Analytical thinking
- Critical appreciation of the arts
- Creative and academic writing
- Proficiency in research and information literacy
- Goal setting, self-evaluation, and reflection
